

CityDINING

Mr. & Mrs. Duley... Joe and Charlotte. Imagine Bridget Jones stumbling into The Sopranos – result: a happily-ever-after wedding. An original couple, to say the least.

Joe: streetwise Italian/Irish Yank who spent half his life in New York City, and the other half trying to stay out of trouble. Charlotte: well-bred London lass who ventured across the pond to find adventure and met a real hot dog!

Rome wasn't built in a day, nor was the Duleys' partnership. It took 18 years for Charlotte and Joe to come to their senses and tie the knot. During this epic courtship, they discovered culinary secrets and dishes from every corner of the world. When it comes to dining and dating, the Duleys have truly "been there, done that and got the t-shirt".

A couple who are as different as oil and vinegar, yet go together as naturally. They have found true love – and the emulsion binding them together? Years of stolen moments, sharing many a meal across 2 continents, from humble greasy spoons to Michelin-starred eateries, always searching for tantalizing tastes together.

The Duleys are hip, happy and honed in... they seek out the little nooks and crannies that make dining fun, enticing, and worth sharing with friends. Being in the know and in the moment are crucial to them now that they're together in Washington, DC. Through City Living's new feature, Dining with the Duleys, they plan to share their insightful enjoyment with all of you!

Two spicy individuals have become one delicious dynamic duo, dazzling and delighted – and in the process, Joe and Charlotte create a fun, zesty combination of comedy and culinary commentary, piquant prose sure to please all palates.

The Duleys have enjoyed the best in world food, and are au fait when it comes to the fine art of "tasting the talents" of various chefs from all walks of life. This cool couple have quaffed champagne in

Champagne, munched on mince pies in Munich, and lapped up Icelandic ice-cream... enjoying every encounter! The Duleys live for wine, food and good times.

Whether they're casually consuming chicken cacciatore in Capitol Hill, delicately devouring a donut in Dupont, or feasting on a fry-up in Foggy Bottom, the Duleys will leisurely lead your taste buds on a luxurious journey through the pleasures of the palate.

The Duleys navigate a very personal, tasty trip that will leave you wanting more. Dining with the Duleys... an experience to savor!
